RAIDERS CCC CO-CHAMPS

The spirit and enthusiasm displayed by this year's football team, as well as the championship form of play, was both inspiring and refreshing to be a part of.

Top Left: Layne Hendel pouring it on.
 Center: Let's go For it.
 Left Center: Boland on the receiving end of a touchdown pass.
 Bottom: Defensive power strikes again.
 Top Center: Rossini adds the extra point.
 Below: Hendel demonstrates his All-State stride.
 Bottom: Coach Charipar signals from the sidelines.

Coaches Celt and Charipar eye-balling the situation.

Layne Hendel stopped after a gain for the Raiders.

All-CCC fullback, Edwards, crashes around end.

Gavin sweeps as Hubler shows textbook blocking form.

Jerry Boland is horse-collared after a block by Kevin McQuillan.

Schaak plants a key block as Gavin acts quickly.

KICKERS TAKE "STATE" AGAIN!!

Once again under the dynamic coaching of Harvey Buron, the Raider's Soccer Team kicked their way to a state championship. This marked the third year in a row that the kickers have accomplished this. The Raider's did an outstanding job as they outshot, outran, and outkicked even the best of opponents. This year's success can be attributed to the abundance of talent and leadership offered by the seniors on the team. The future of the team looks good also because of the great amount of underclassmen contributing to an overall effort.

1973 STATE AND CONFERENCE CHAMPION

The race didn't actually start here, it started at 495 South Hamline Ave. and the surrounding streets many months earlier.

There off! as the tension reaches a peak.

I wonder what it's like to come through the shoot a winner?

You always work for this team.

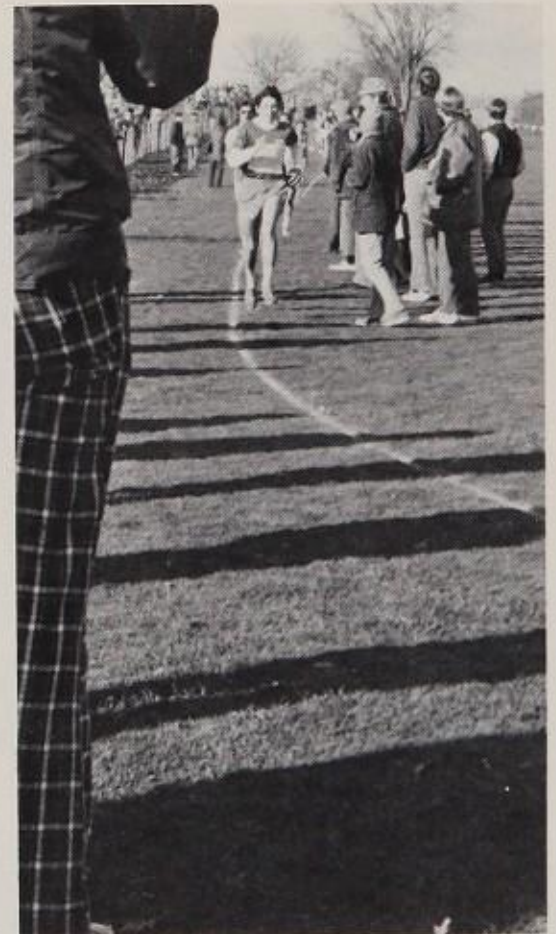

People have a hazy picture of a runner's life.

There always has to be a runner with the best time.

Anticipation!

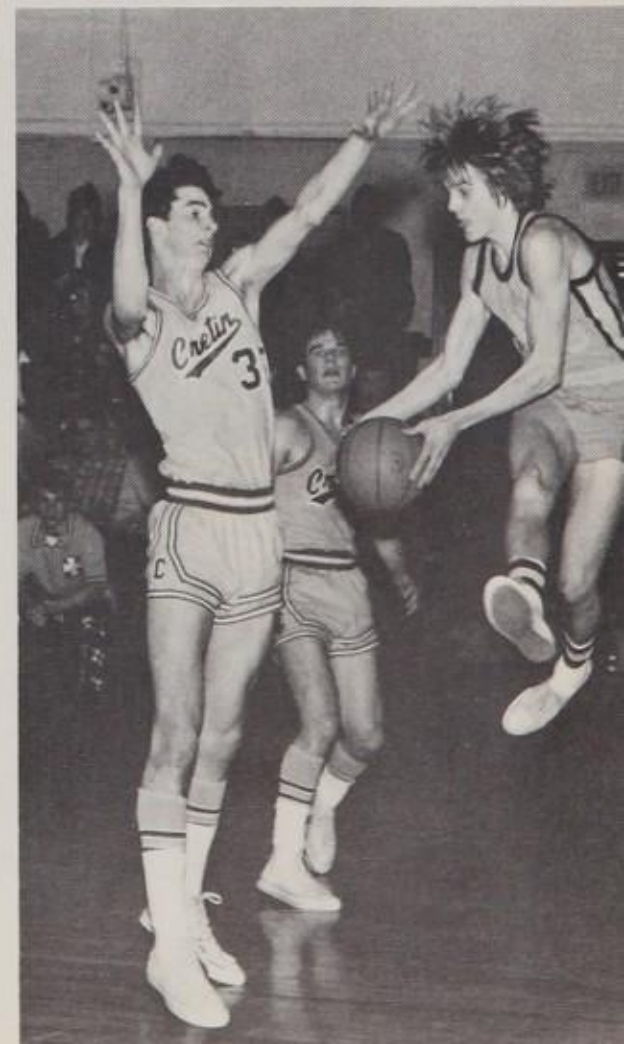

There's always competition.

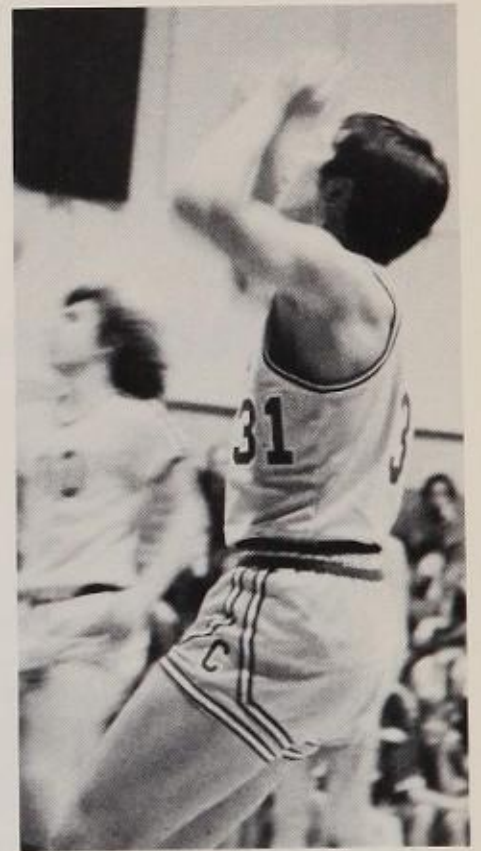

BASKETBALL: CCC CHAMPS

Throughout the year the 1973-74 Raider Buckets team displayed a variety of talents. Behind excellent shooting and a remarkable use of the fast break, the Raiders "scored" their way to a conference championship. Although offense was not the only factor in the teams winning formula, their almost impenetrable defense had the opposing teams tied in knots for most of the game. During a rather slow start, before the gym was finished, the Raiders dropped two of their first games, but exploded at the Hill game and never let up for the remainder of the season. The team had the idea implanted in their minds that they were the best, and who was to tell them otherwise? Surely not The 74th Airborne Division, that unique group of Raider Rooters that were at most, if not all, of the home games. The chief and fundamental attribute going for this great championship team, though, was the fact that they were consistent . . . in winning!

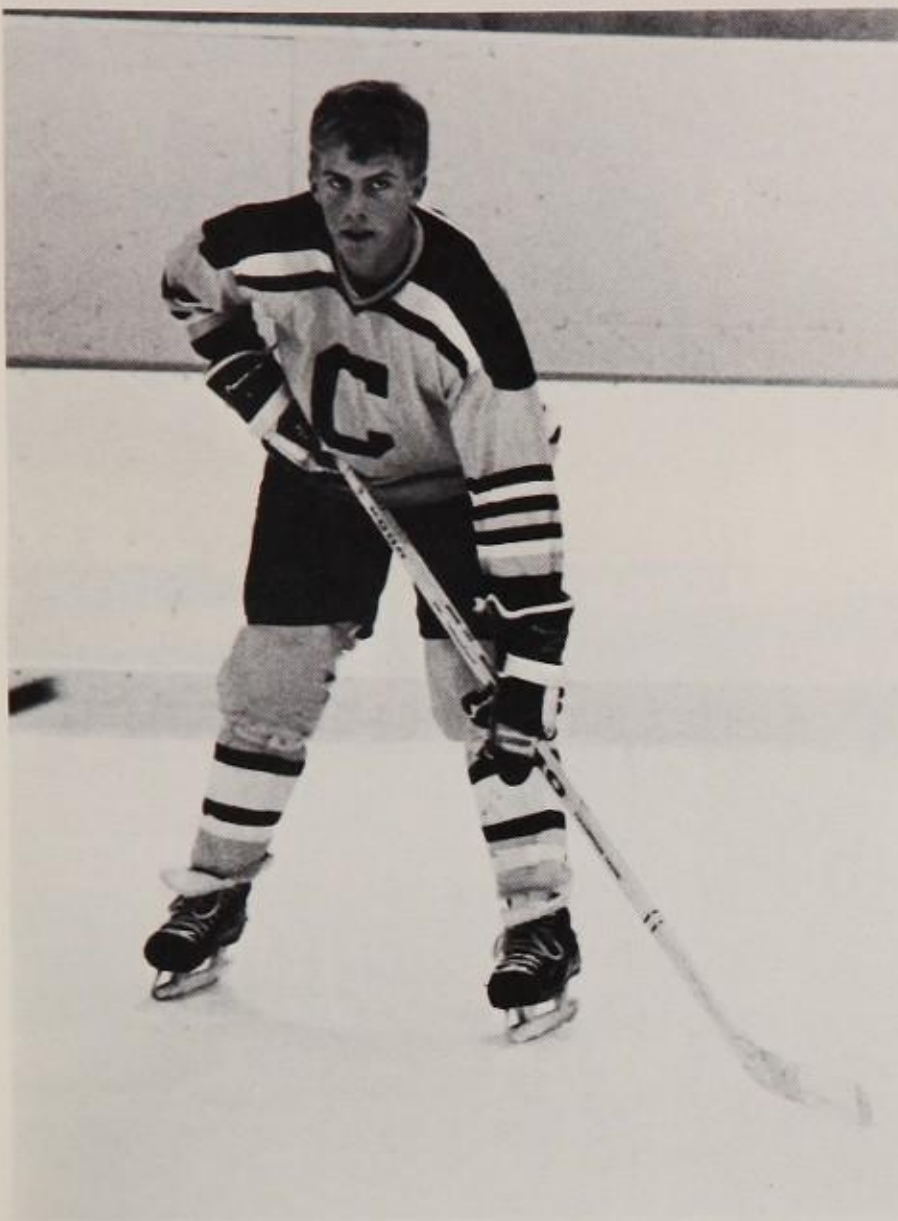

HOCKEY

The 1973-74 hockey team played excellent hockey all year long, and came out with a great record against some of the toughest competition one could find. This year's team was characterized by its two GREAT front lines. The Raider opposition never experienced a break, for when the first line was out, the second line was in there doing an excellent job. Under the direction of Coach Mike Kurtz, the Raiders again skated their way into the state tournament. The team was stacked with talent this year, as four members of the squad were voted All-Conference, including sophomore Bob Barnett. Looking back on the performance of some outstanding sophomore and junior players, it looks like next year we are in store for another WINNING year in hockey.

Layne Hendel: Goalie. Layne was a three year regular, and was All-Conference his last two years. He was recognized as being one of the finest goalies in the state during the 1973-74 season when he was chosen for the Minnesota High School Hockey All-Star team.

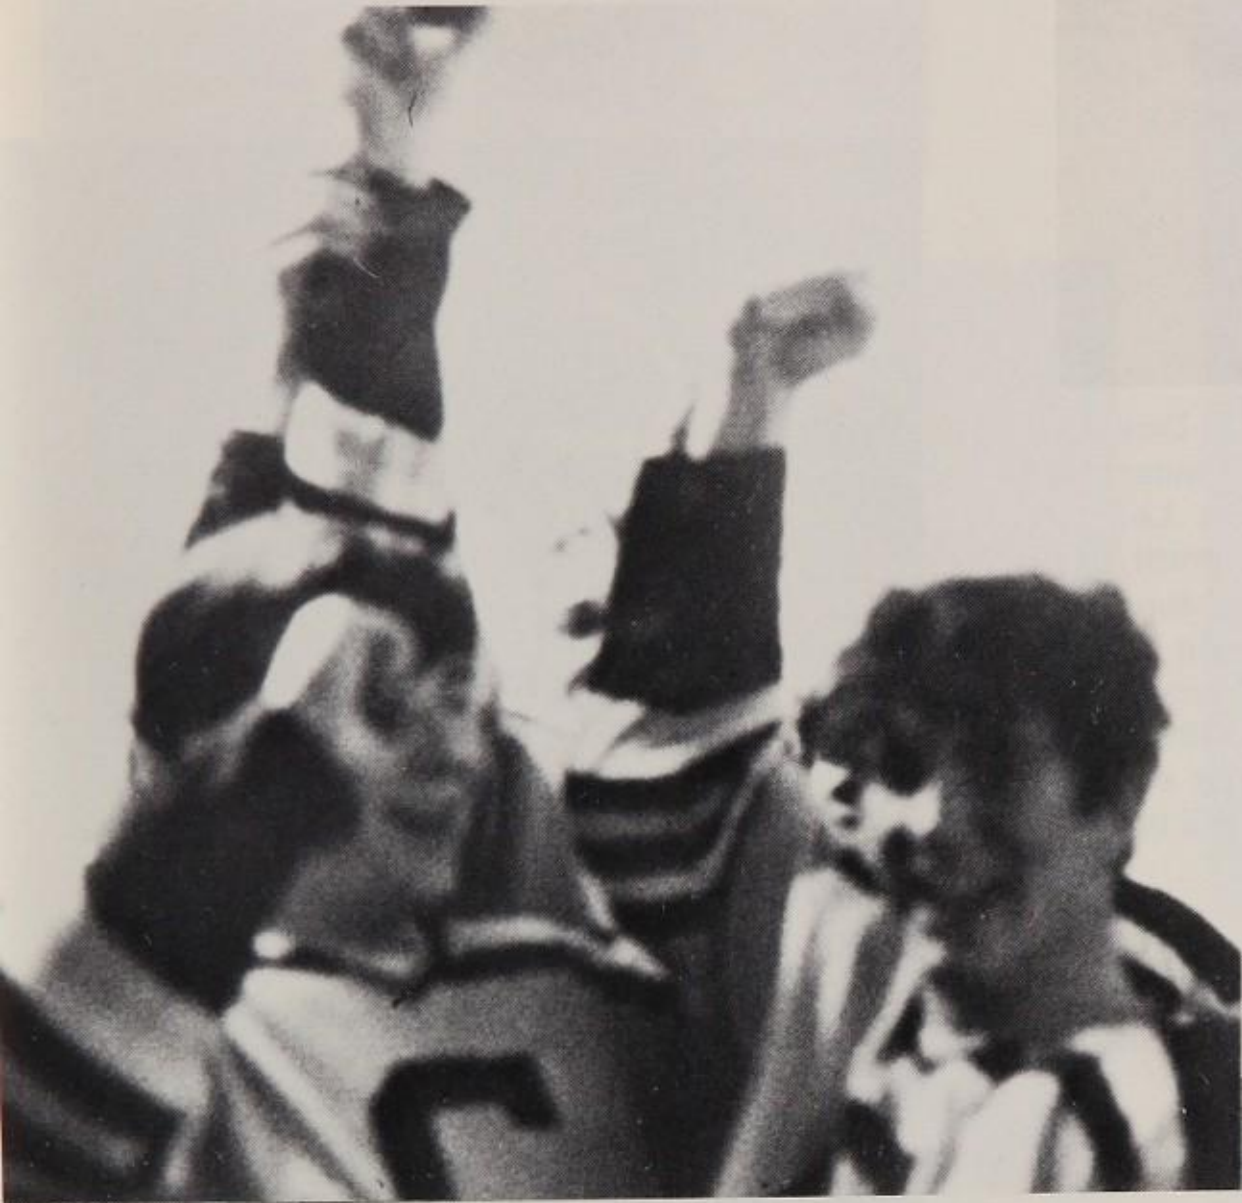

Bob (Barney) Barnett: Defenseman. Barney was only a sophomore, yet he received All-Conference in his second year as a starter. He had an outstanding State Tournament, and we are surely fortunate to have Barney back next year.

Scott Huna, Jim O'Neill, Gary Prokop: First Line. Scott, who was a three year regular, made All-Conference his last two years. He has scored 130 points in his high school hockey career. Jimbo O'Neill was All-Conference the last two years, All-Tournament in his junior year, and was selected Minn. High School Hockey Player of

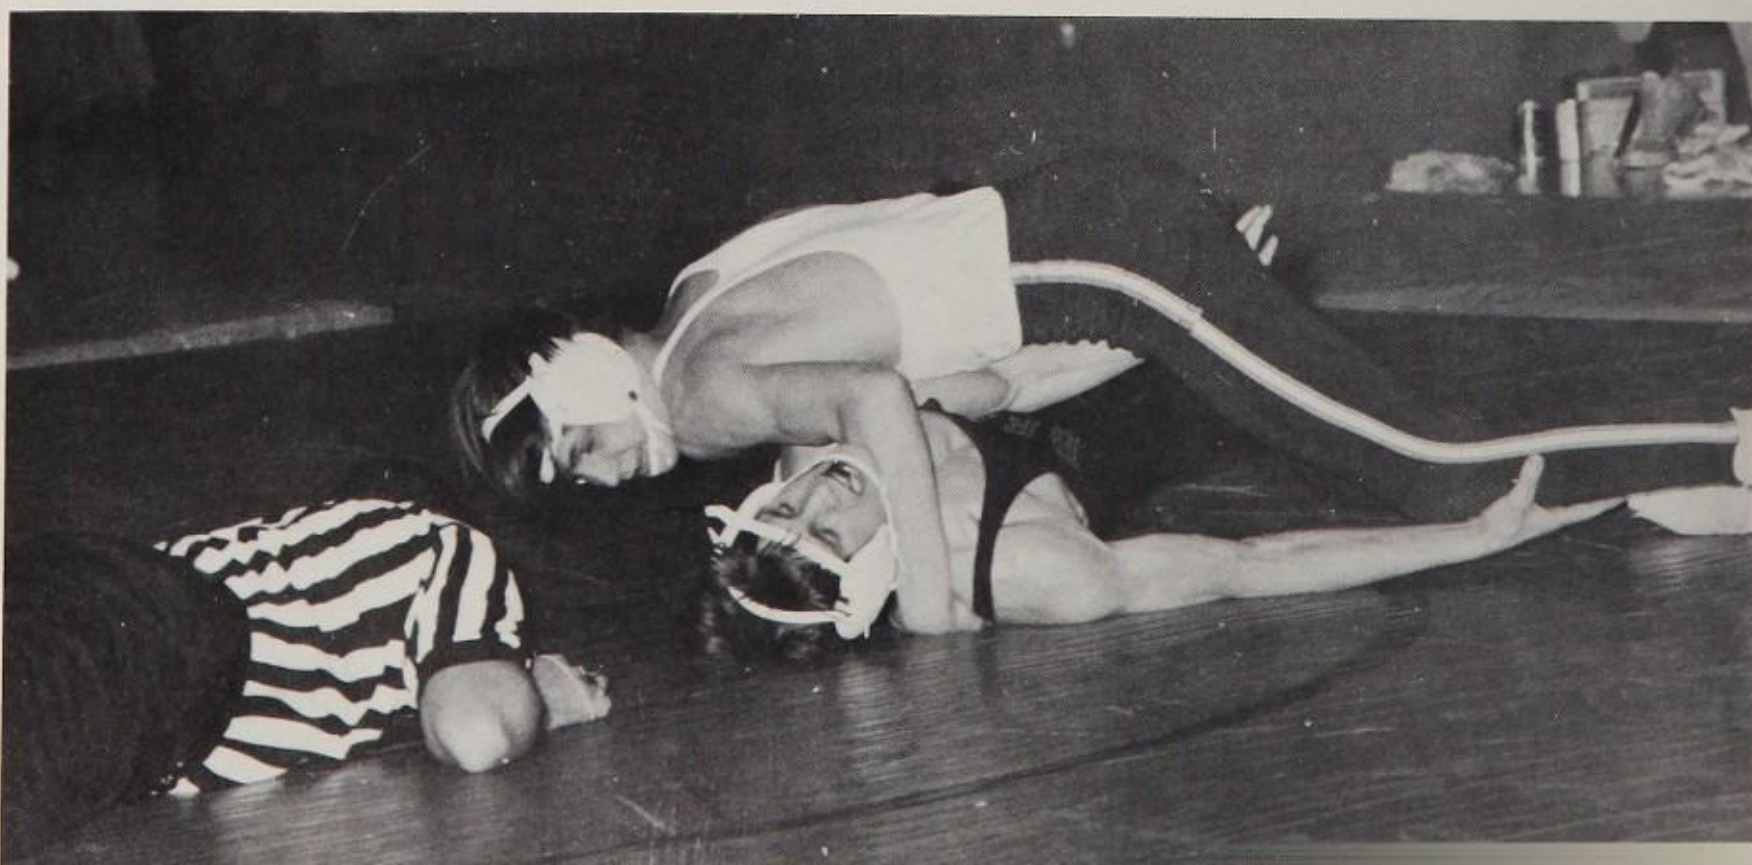

the Month. In his three years of varsity play, Jimbo scored over 100 goals and accumulated over 190 points, which makes him the greatest scorer in Cretin's long hockey history. Gary Prokop also was an excellent hockey player who contributed a great deal to the team despite sitting out part of the season with an injury.

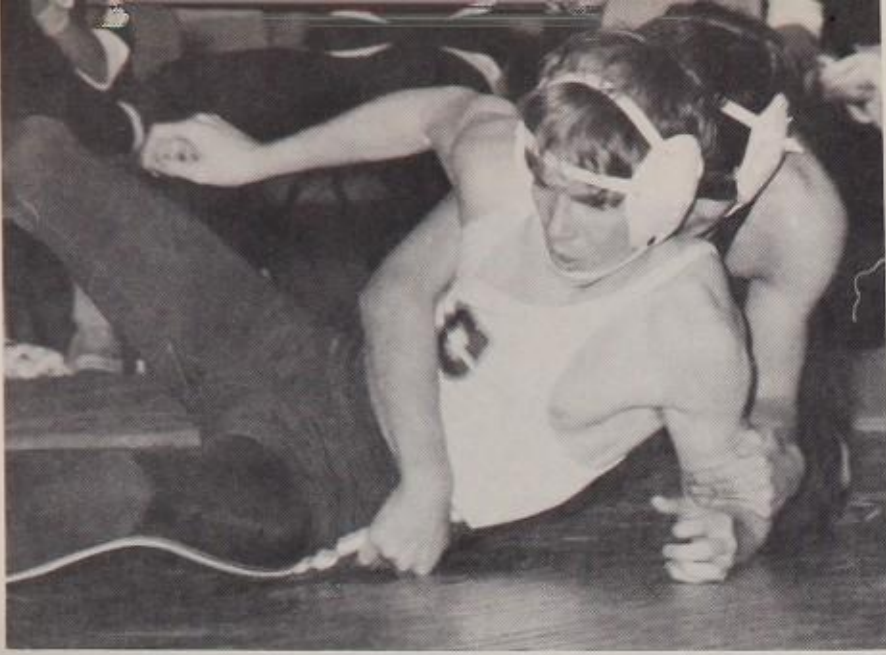

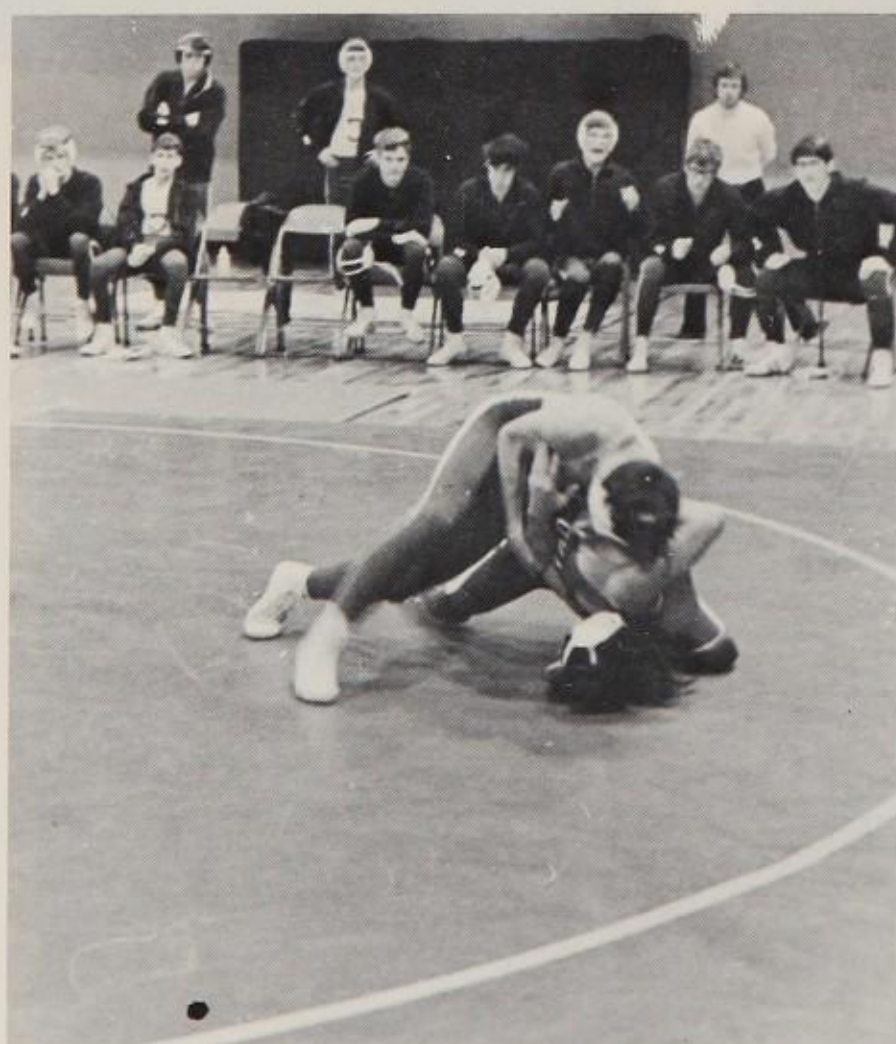

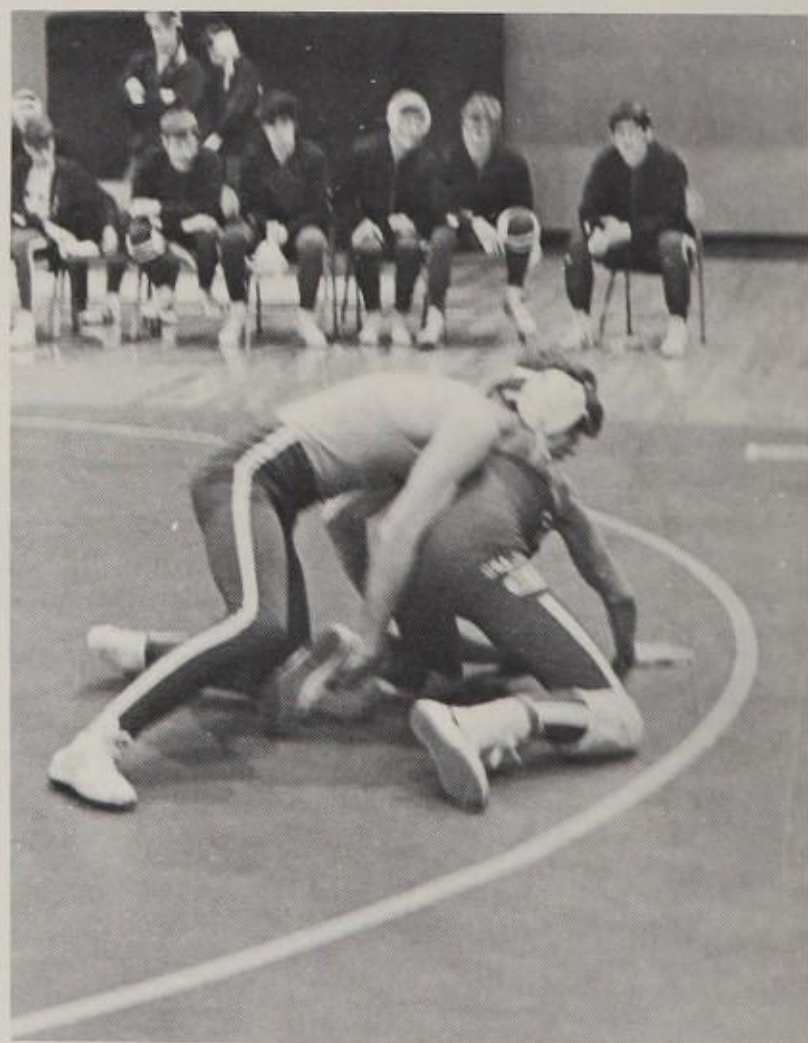

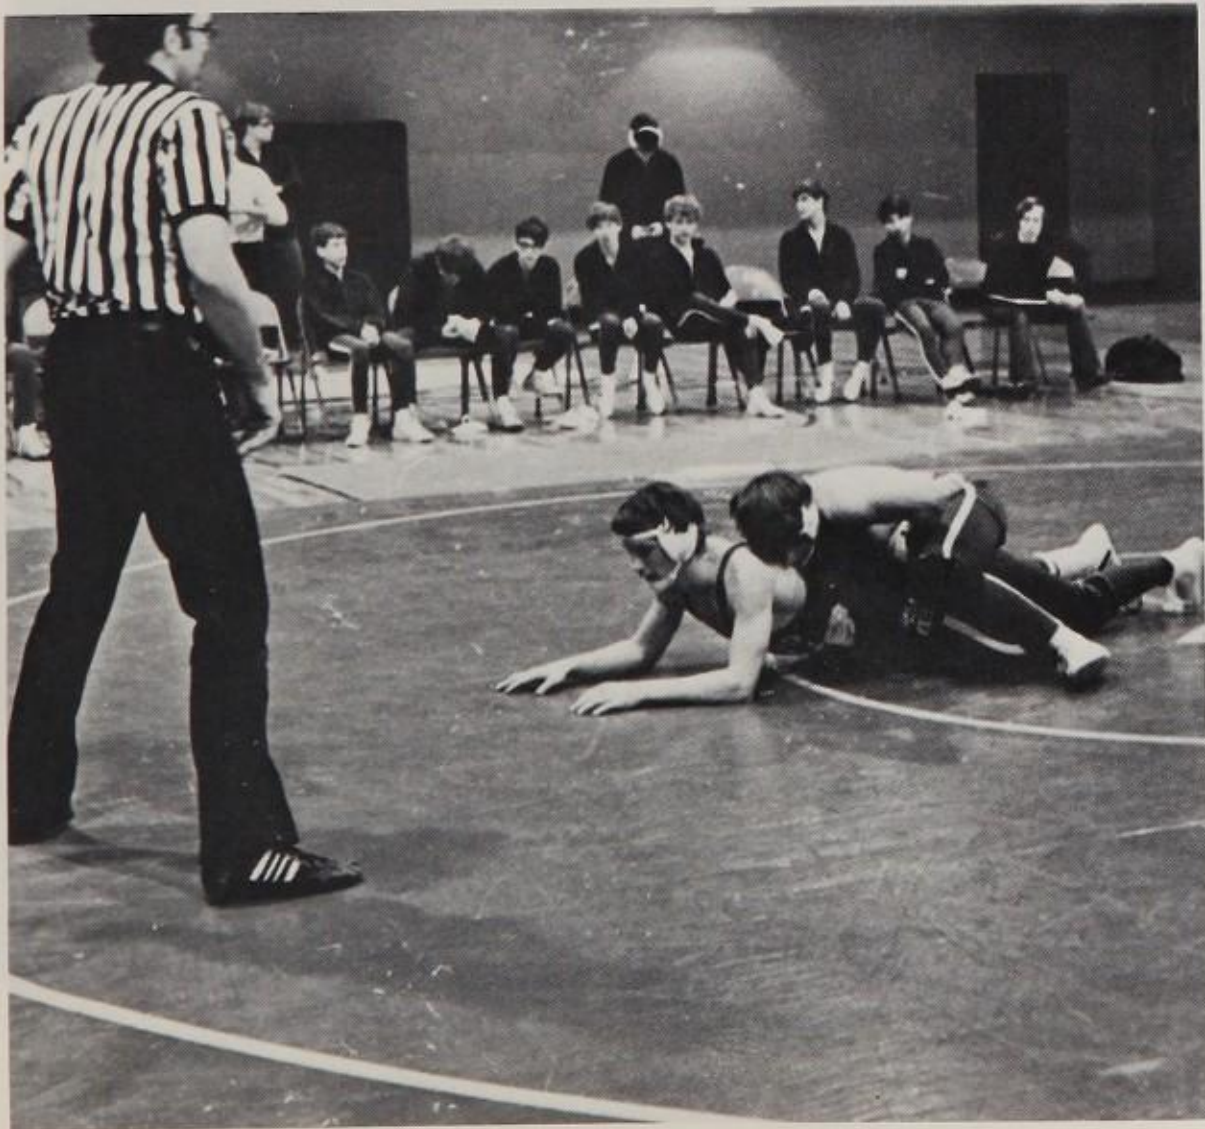

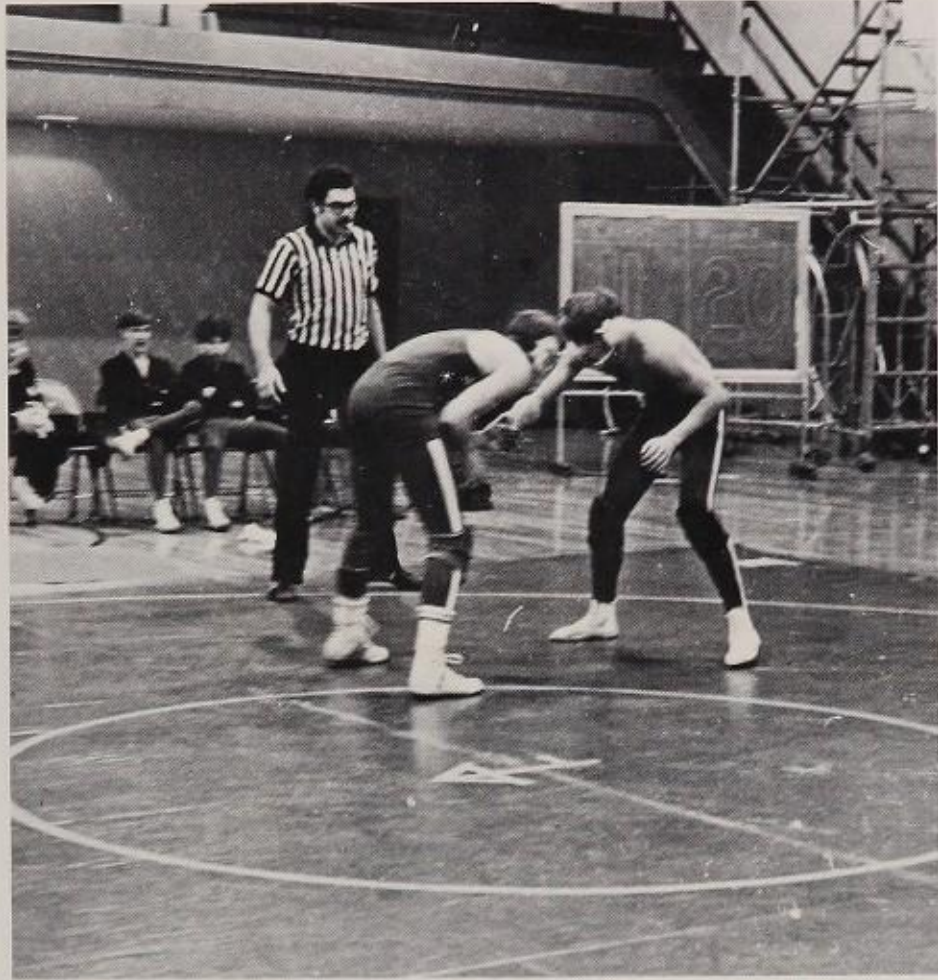

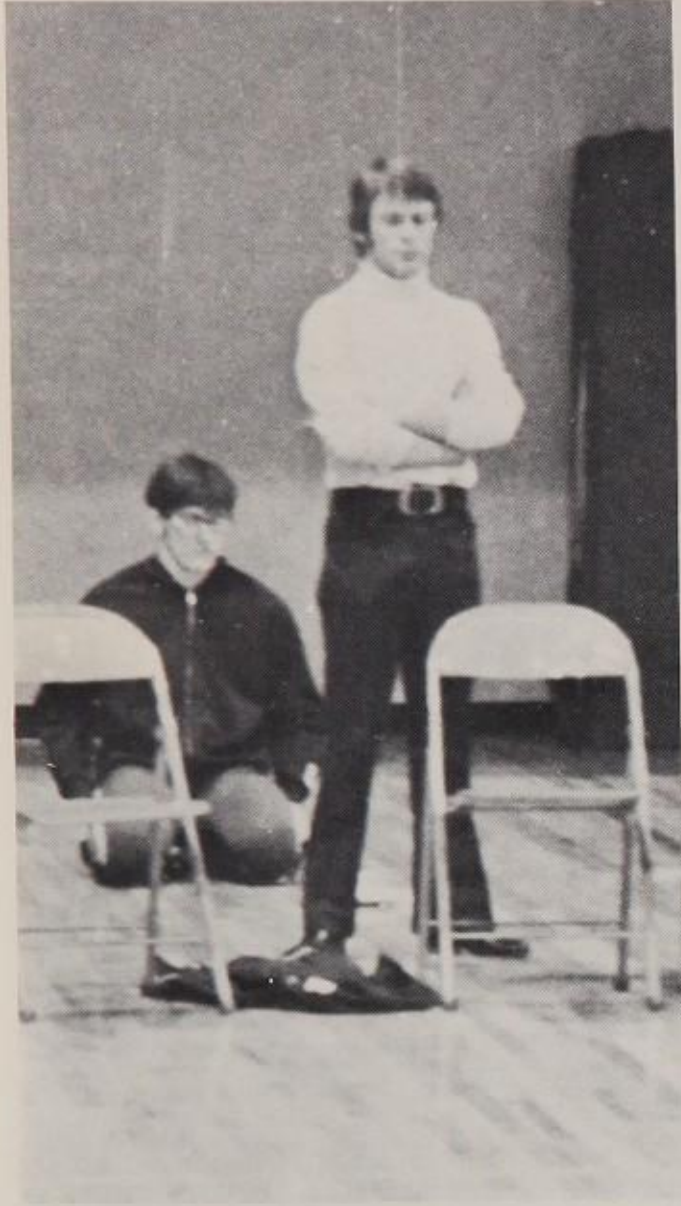

WRESTLING

Under the guidance of a new coach, Dick Arnold, the grapplers came up from the cellar this year and had an outstanding season. Led by seniors Duane Kahnke and Luigi Andretti, this year's team was the best Cretin has seen for quite some time. Since the beginning of the season they had an aura of self-confidence surrounding them. One would find it difficult to think that the wrestlers went into the season thinking anything other than coming out of it on top.

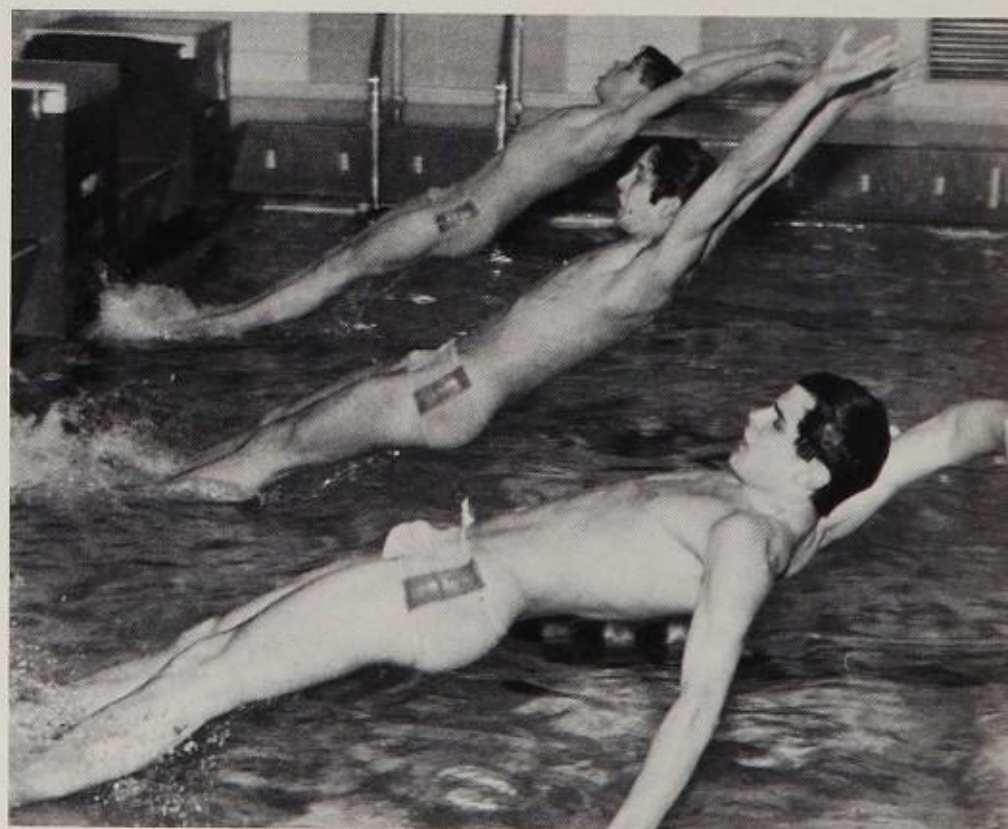

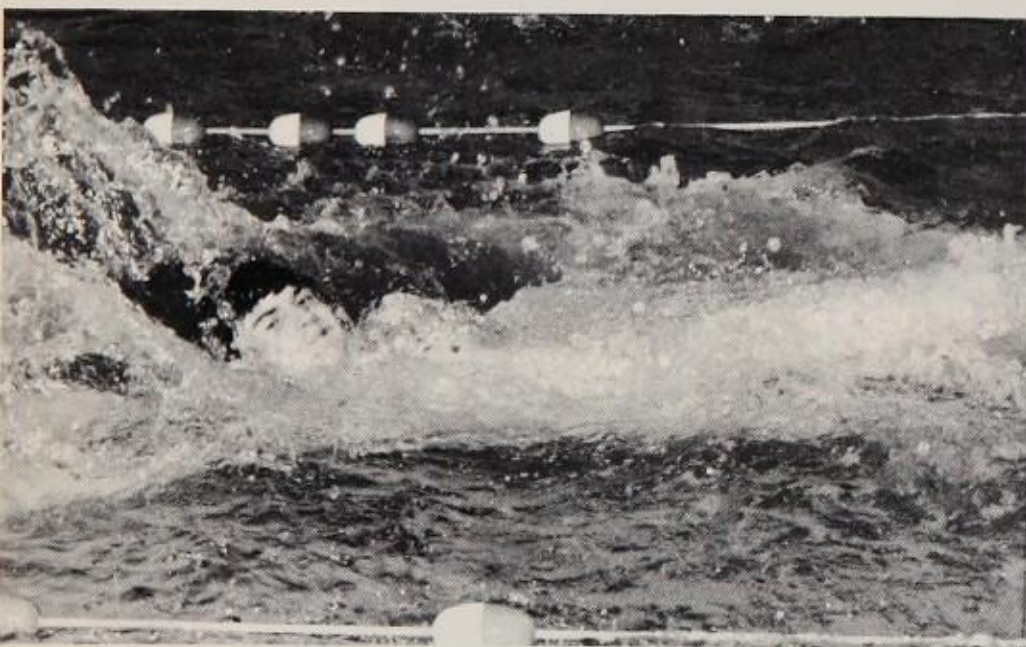

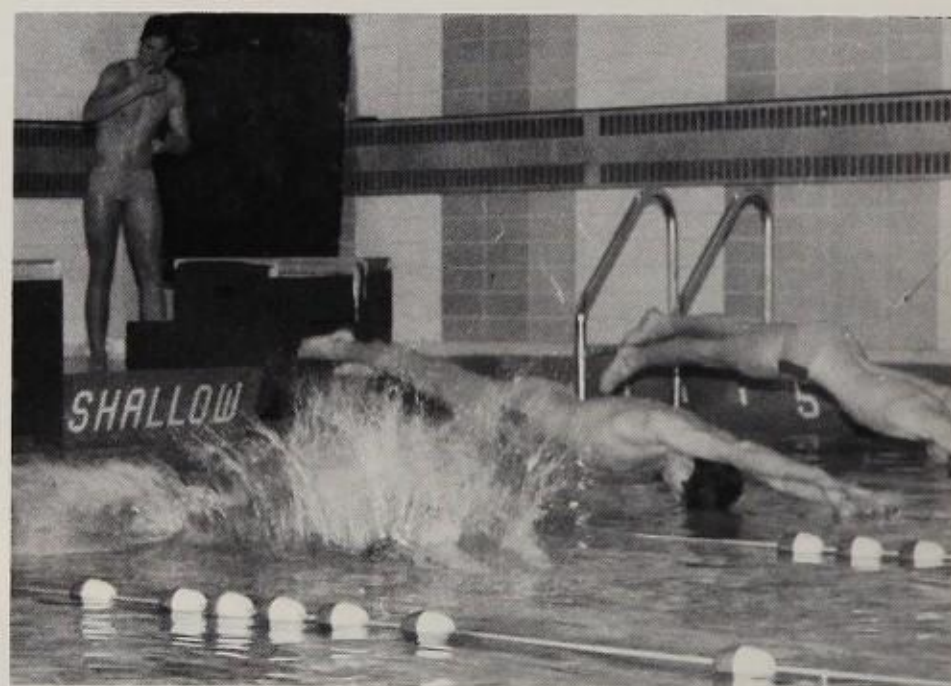

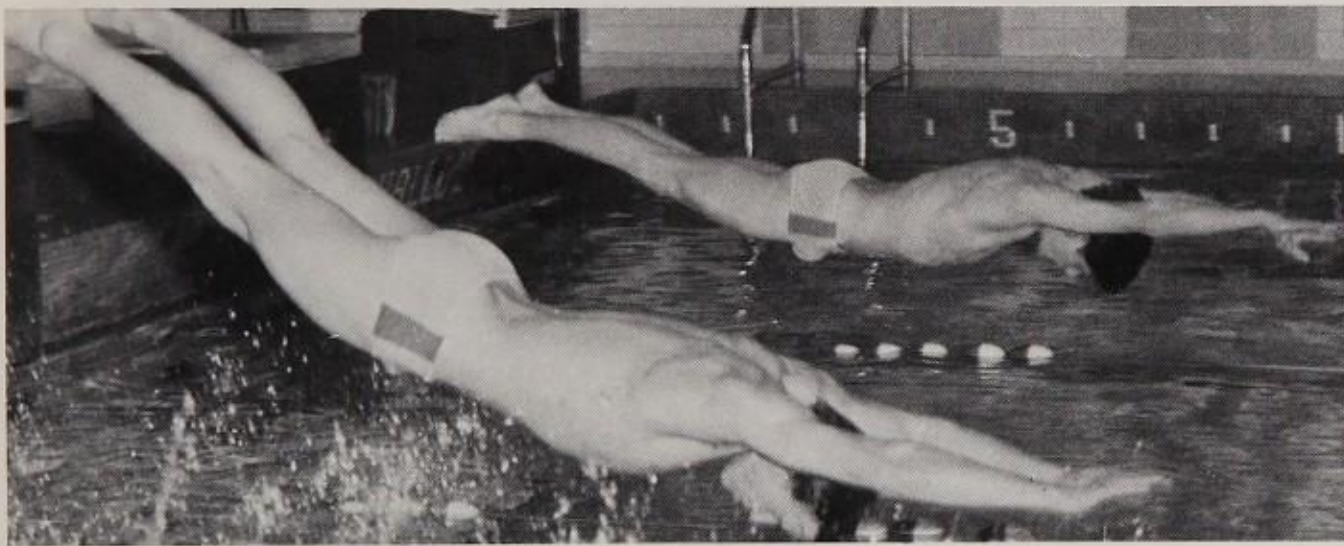

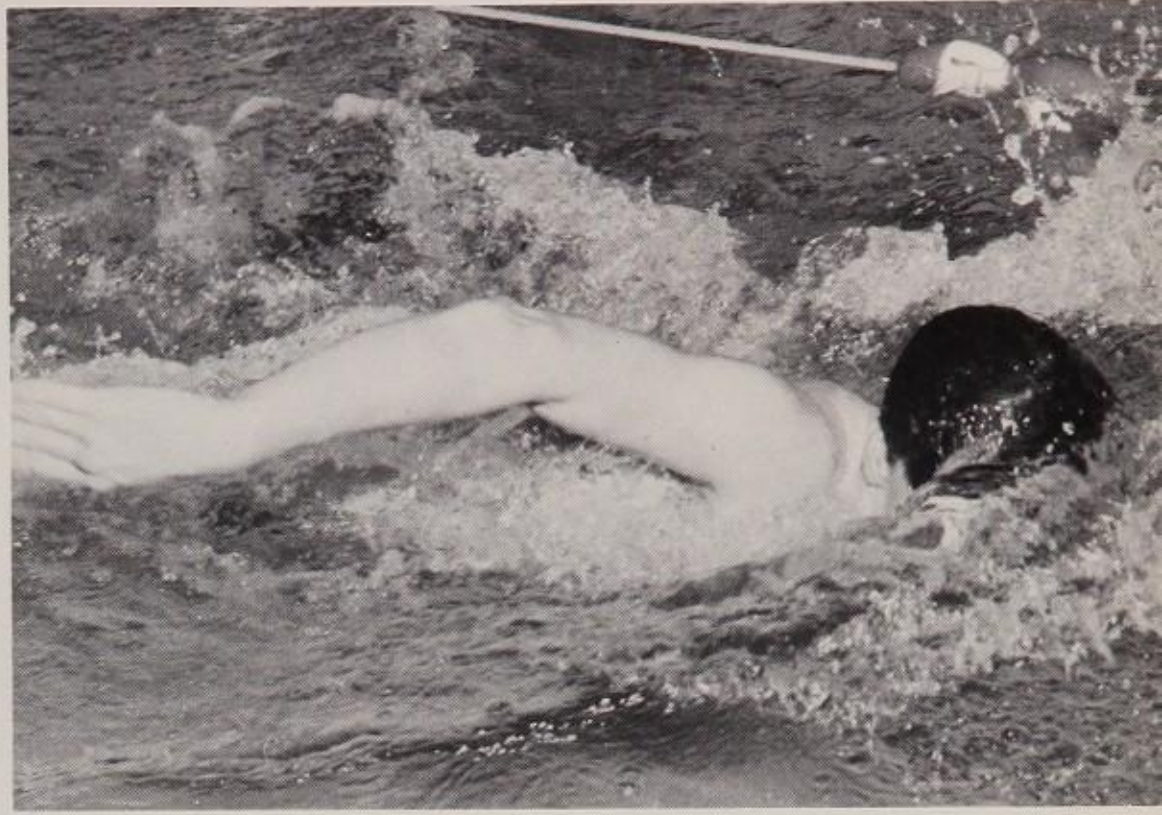

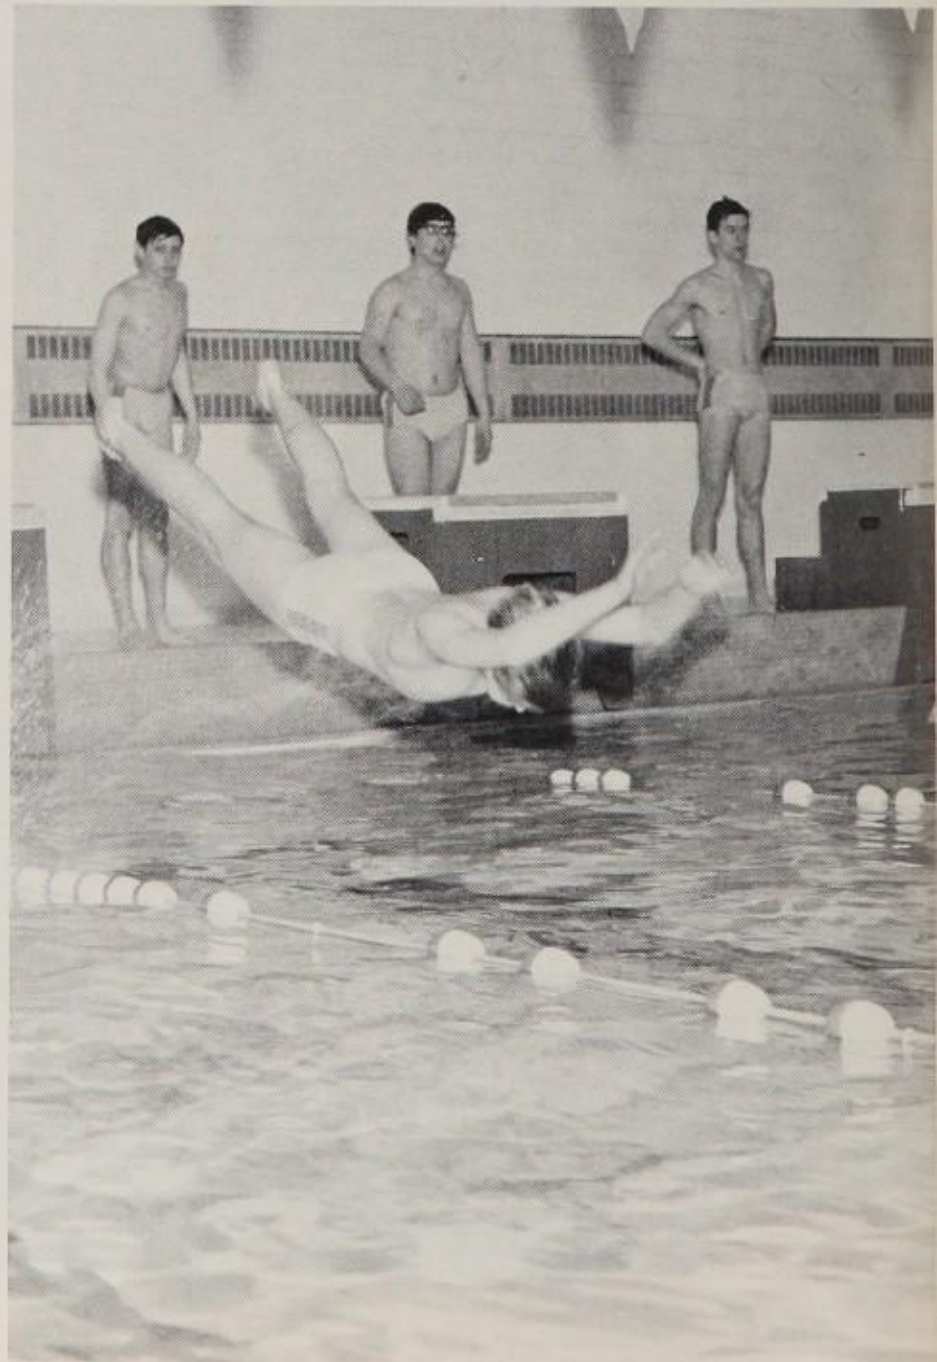

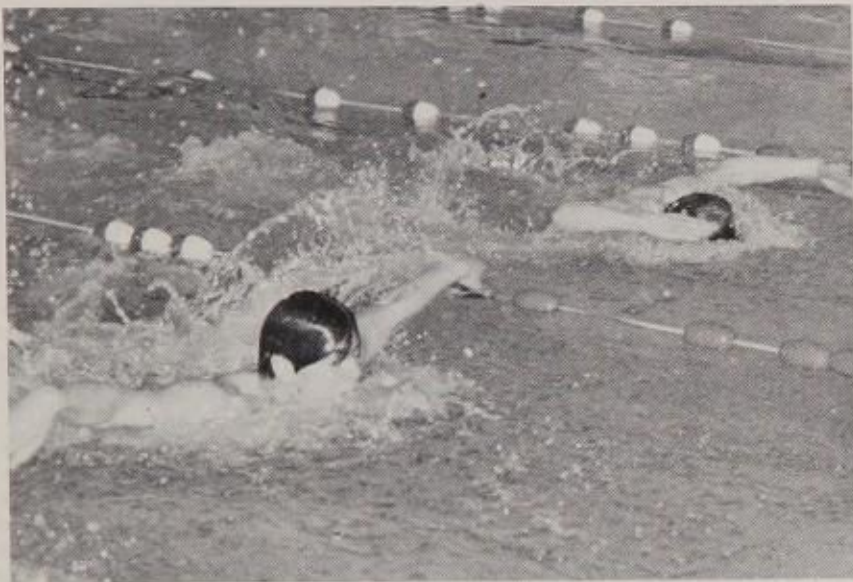

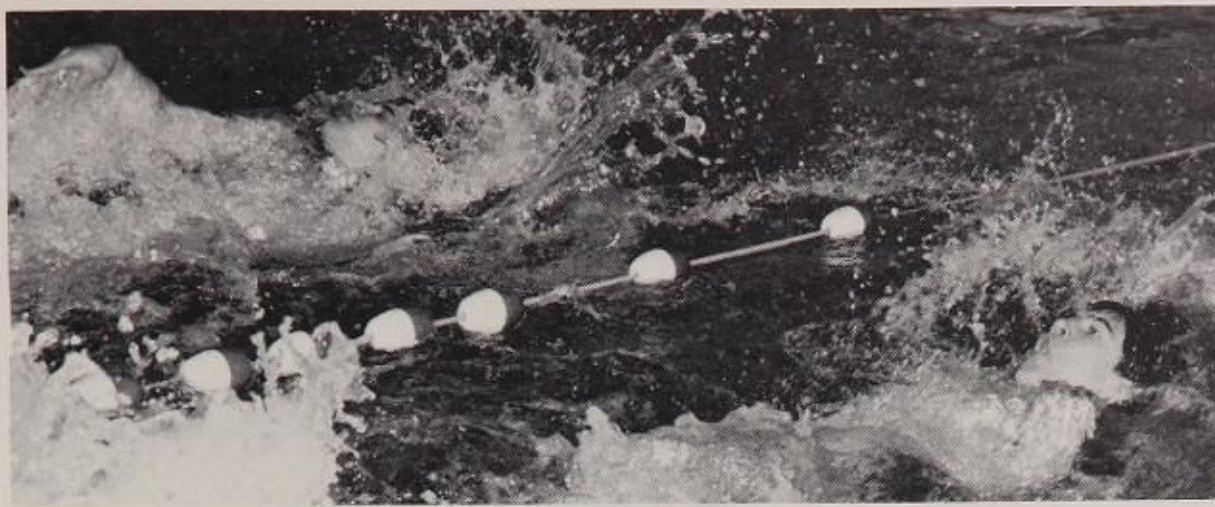

SWIMMING

The spirit of our 1973-74 swim team can be expressed in a word: PRIDE. They faced hardships that would have sent many a lesser team into the locker room before the season opened. But did our team quit? . . . - - - - no . . . and why . . . because they had pride. A dedicated type of pride that would not let them concede; but why should they? They were great, and had that tremendous ability to win that was characteristic of all of this year's teams. Having only a short season, because of lack of facilities, the Raiders managed to compile a 6-1 season record, losing only to a strong Osseo team. However, over the last five years, the Raiders have obtained a WIN-loss record that cannot be matched by any other Raider team. This will be Coach Lepsche's last of many years coaching the Cretin Swim Team, so if future teams are to keep in the tradition of winning, they are going to have to get that same spirit of pride, dedication, and maybe . . . a pool?

CRETIN RAIDERS—CHAMPIONS AGAIN

"If any of you are uncertain as to what your individual goal should be while a member of the Cretin Sports Program, let me suggest one for you. Your goal should center around being mentally and physically prepared so that regardless of whether you are on or off the field, you can hold your head high and be proud of your performance."

Such were the words spoken to the '73 football team.

They were fulfilled, not only by that same Football team, but also by the Soccer, X-Country, Basketball and Hockey . . .

. . . but these words were not meant for the teams alone. The students are, of course, the backbone of the teams. Special recognition is therefore given to the Cheerleaders, The RORR, and all those who helped to pack the stands in support of our great team.

AL UM NI

Nicholas V. Schaps '46, JOSEPH MUELLER 1903 our oldest living alumnus, his son Robert Mueller '42. Father, son and son-in-law.

Brother Basil presents a tribute to Mr. Joseph Speranza another of the mighty men of the Cretin Alumni.

The Class of 1923 was honored at the Alumni Banquet, FIFTY GOLDEN YEARS, of success, hard work, giving, happiness and living.

And they said it couldn't be done. The floor of the gym laid in 1924 was finally replaced in 1973 in time for the Alumni Banquet so we ate on it, after a manner of speaking.

Homecoming week this year was extra short, and was late in the year, but was not to be underestimated. The three and a half days consisted of Frosh Field Day and Sophomores grease football on Monday. Advisory 105 led the Frosh while advisory 305 took the grease Football. Tuesday Advisory 411 took the dumby in the Junior Dumby pull. Wednesday the Seniors and their traditional Hobo and Haberdachery Day. They led the school in preparation for the Homecoming game. The combination of Pat O'Rourke and Steve Chudzik received the prize for the best costume. Thursday we were off for Teachers Convention. Friday brought around the BBQ, the crowning of the Queen, and the football game. Sue Johnson, the Queen, was escorted by Mike Gleason while the raiders, "LUNCHEd the LOURDES", 27 to 16. This brought a great Homecoming week to an end.

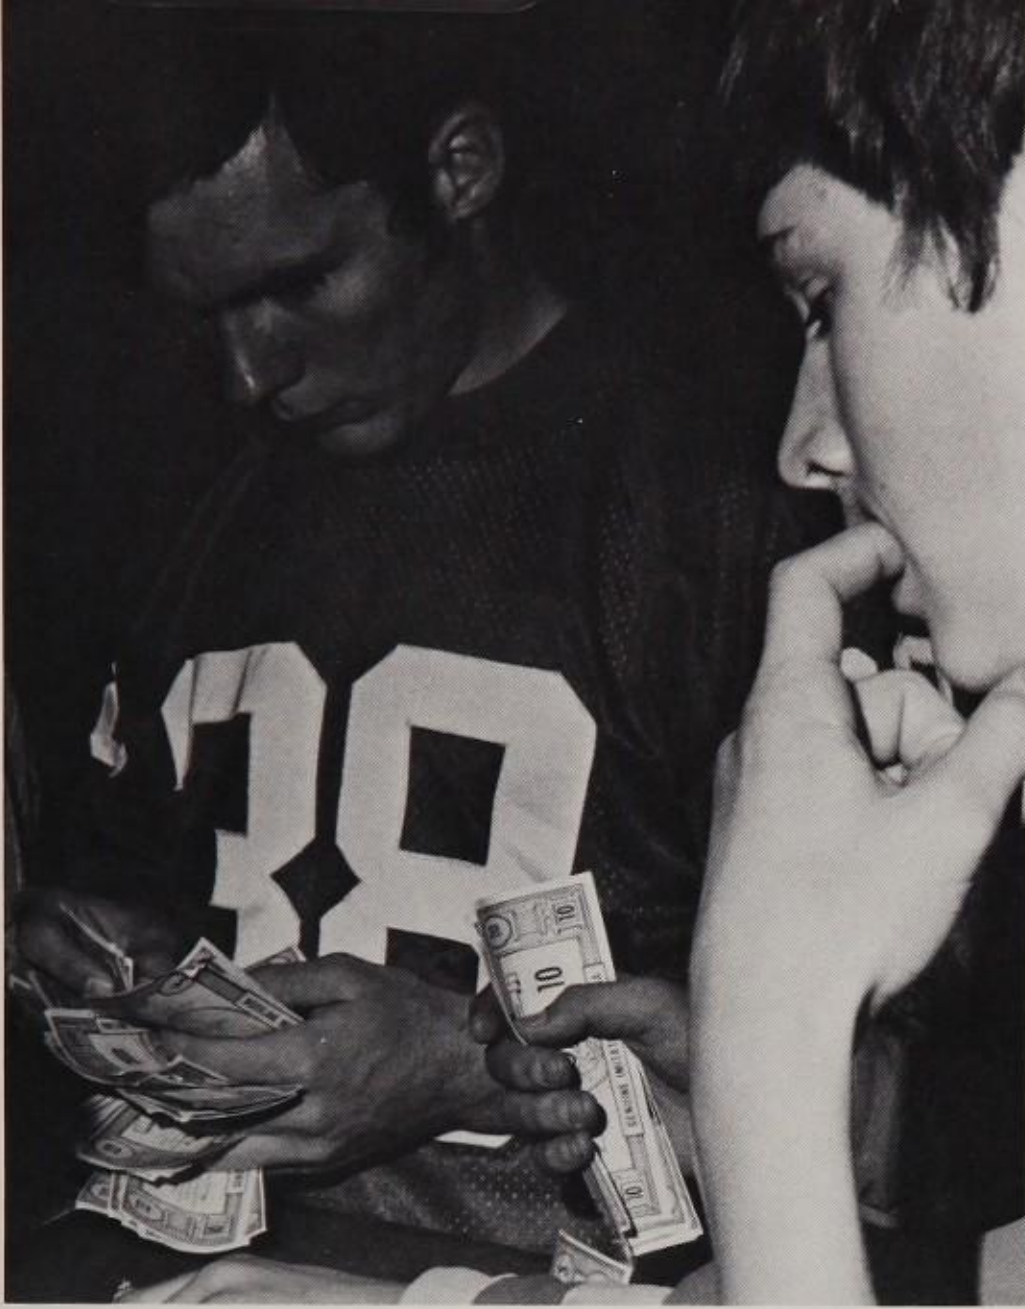

SPAFF

Did our winning attitude end at sports? . . . NO WAY!! That great 'Spirit of 74' that was present all through the school year, and eminence in every student at Cretin High, was exemplified more than ever with the huge success of the SPAFF drive. The first part of this five part quintity is the students, and they do the most. This year it was met with a great amount of enthusiasm, with Bro. Martel's advisory leading the school. Not far behind the students, though; are the parents, with their 'Fun and Folly' night. That always seems to bring us over the goal line. Alumni, Faculty, and Friends bring up the rear, but are not to be discredited, for they lent a superlative amount of help and support.

Thoma . . . was all you could hear as the whole student body came to its feet in a frenzy of applause and cheers. This climaxed the Diamond Promotions as Tom Kelly became cadet colonel and brigade commander. This assembly saw many of Cretin's finest cadets promoted to the diamond rank. It was an especially difficult choice for the military staff this year. After it was over . . . some were disappointed, others were relieved, but everyone felt proud.

MID-WINTER EVENTS OF 74

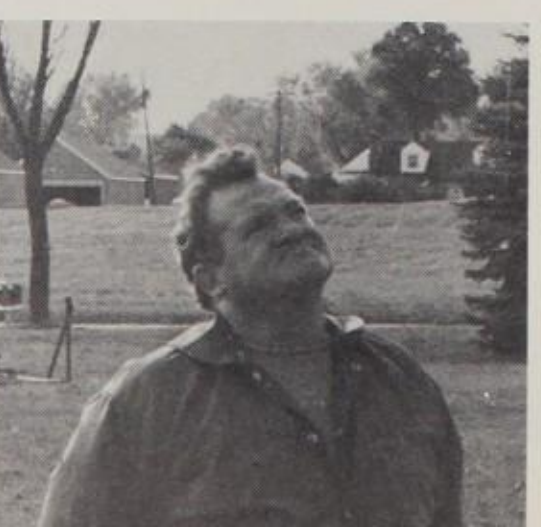

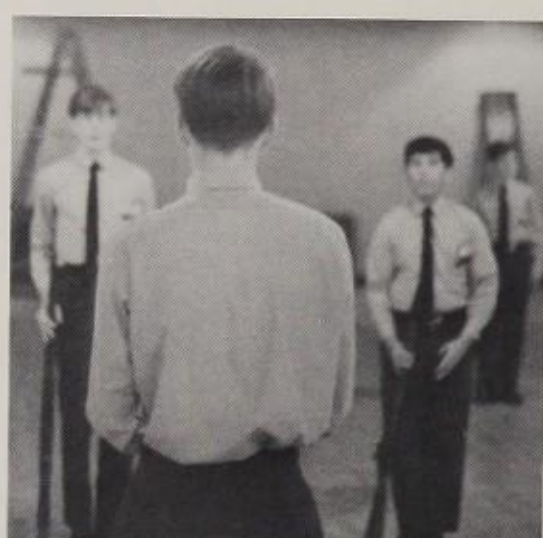

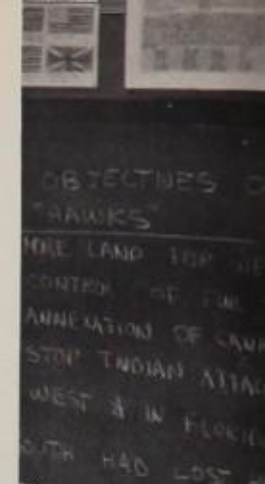

MID-WINTER '74

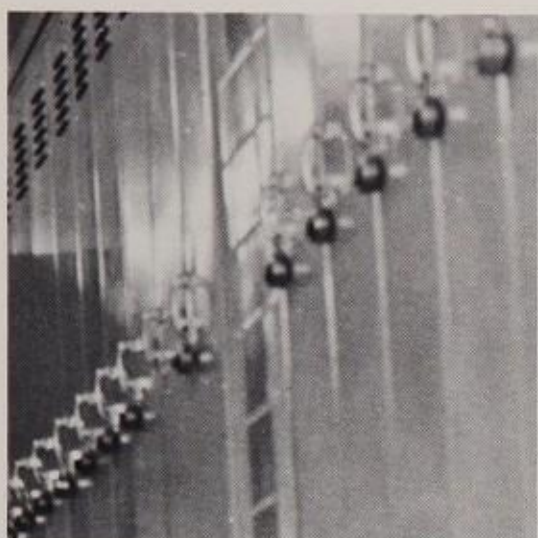

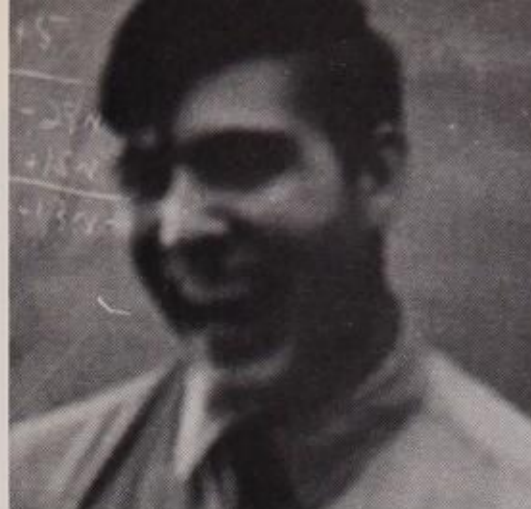

Mid-Winter Week '74 was one of sheer excitement for all involved. The wide variety of activities ranged from one-on-one B-Ball to snow football and the famed treasure hunt. There were many tournaments taking place during this week, including the new Foosball tourney. Midway through the week the Cretin gymnasium was graced by the widespread talent of many fine actors, singers, and the like. Then the crew from the TV series HOGAN'S HEROES arrived on the scene to have the beautiful queen candidates fully interrogated by the cunning Gestapo. The whole week was climaxed by the buckets game against the tommies, and the crowning of Jean Manske at the Mid-Winter Dance.

 BRO. GILES—
 MODERATOR

. . . and so we are nearing the journey's end,
where time and eternity meet and blend.

—R.G. Wells
